The absence of or disagreement with existing policy, rules, or regulations is not a grievance.

Term "employee", except where otherwise indicated, is considered to apply to any employee not classified as administrative personnel. The term "employee" may include a group of employees who are similarly affected by a grievance.

An "aggrieved person" is the person(s) making the claim.

A "party in interest" is the person(s) making the claim and any person(s) who might be required to take action or against whom action might be taken in order to resolve the problem.

The term "days" when used in this policy shall, except where otherwise indicated, mean calendar days.

"Immediate Supervisor" is defined as the individual conducting the evaluation.

"Association" shall mean any association of employees.

The "Board" shall mean the School Board of the District.

Principles The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may arise affecting the welfare or working conditions of employees.

All parties agree that these procedures shall be kept as informal and confidential as may be appropriate at any level of the procedure.

Nothing herein contained shall be construed as limiting the right of any employee having a problem to discuss the matter informally with any appropriate member of the administration or with any appropriate representative of an association at any time.

Any employee or group of employees has the right at any time to present a grievance to such person or Board through such channels as are designated for that purpose.

Time Limits Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum, and every effort should be made to expedite the process. The time limit specified may, however, be extended by mutual agreement in writing.

In the event a grievance is filed at such time that it cannot be processed by the end of the contract period, the time limits set forth herein will be reduced so that the grievance procedure may be completed prior to the end of the contract period or as soon thereafter as it is practicable.

Employees must file a grievance within thirty days after the alleged violation, misinterpretation, or inequitable application.

Informal Procedure If an employee has a grievance, he/she should first discuss the matter with the principal, administrator, or supervisor to whom the person is directly responsible in an effort to resolve the problem informally.

If, after such discussion, the employee is not satisfied with the disposition of the matter, the employee may file a formal grievance in accordance with this policy.

Formal Procedure Level One: School Principal or Immediate Supervisor

1. If an aggrieved person is not satisfied with disposition of his/her problem through informal procedures, the person may submit a claim as a formal written grievance to his or her principal or immediate supervisor.
2. The principal or immediate supervisor shall within five days render a decision with rationale for that decision in writing to the aggrieved person.

Level Two: Superintendent

1. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if no decision has been rendered within five days after presentation of the grievance in writing, he/she may file the formal written grievance with the superintendent within three days after the decision at Level One or eight days after the grievance was presented, whichever is sooner.
2. The superintendent or his/her representative shall act for the administration at Level Two of the grievance procedure.
3. Within ten days after receipt of the written appeal to the superintendent, the superintendent shall meet with the aggrieved person for the purpose of resolving the grievance. The superintendent shall, within three days of the meeting, render a decision with rationale for that decision in writing to the aggrieved person. If more than one meeting with the aggrieved person is necessary or if the superintendent determines to conduct an investigation in addition to meeting with the aggrieved person, the decision shall be within three days of the last meeting with the aggrieved person or within three days of the conclusion of the investigation.

Level Three: Board

1. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within the time frame set forth, he/she may file a written appeal with the Board.
2. After receiving the written appeal, the Board may appoint a fact finder to review the grievance and its proceedings to this point and to report to the Board prior to its hearing with the aggrieved person. A hearing on the appeal shall be conducted in executive session and the decision of the Board with rationale for that decision shall be rendered in writing within five days.

Level Four: Appeal to the Department of Labor

1. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Three, he/she may within thirty days after the final decision by the Board is mailed or delivered to the aggrieved person, file an appeal with the South Dakota Department of Labor pursuant to South Dakota statutes and regulations.

Miscellaneous If a grievance affects a group or class of employees, the grievance may be submitted in writing to the superintendent directly and the processing of such grievance shall begin at Level Two.

If a grievance involves the aggrieved person's principal or immediate supervisor, the superintendent shall designate another person to hear the grievance at Level One. If the grievance involves the superintendent, the Board shall designate another person to hear the grievance at Level Two.

Decisions rendered at all levels of the formal grievance procedure shall be in writing setting forth the decision and its rationale.

All documents, communications, and records dealing with the processing of a grievance shall be filed in a place other than the personnel files of the participants.

Forms for filing and processing grievances and other necessary documents shall be prepared by the superintendent and made available through building principals and in the District Office.

Any individual employee or group of employees shall have the right at any time to present grievances to their employer and to have such grievances adjusted without the intervention of the Association as long as the adjustment is not inconsistent with the terms of any settlement with the Association then in effect; provided that the Association has been given the opportunity to be present at such adjustment.

These procedures shall not be construed so as to prevent any individual on his/her own initiative from exercising the procedural rights accorded an Association.

No reprisals of any kind shall be taken by any party against the aggrieved person or any other participant in the grievance procedure by reason of such participation.

All parties in interest may be represented at all levels of the formal grievance procedure by person of their choosing.

Only two eligible employees may terminate their employment under the plan in any fiscal year. The employees who have attained the greatest age on September 1 of that calendar year will be separated first. The Board may waive this limit and allow more employees to separate in a year. Years in which more than 2 requests for separation exist, approval will be at the Board's discretion.

An application form for Classified Voluntary Separation Severance Pay participation must be submitted to the Board prior to March 1 of the fiscal year in which the employee wishes to terminate employment. Approval by the Board of the Classified Staff's application will constitute a voluntary resignation and will result in the termination of employment in the District at the end of the current work agreement. The Board will notify any applicants of its decision about the applicant's voluntary separation within 30 days of the March 1st deadline.

There are two options for payment of the Classified Voluntary Separation Severance Pay benefit as follows. 1) Paid in three or four payments over a two-year period as selected by the employee on the form provided by the District. Payments will be made only on July 15th and January 15th; OR 2) Paid on a monthly basis with health, dental, vision, and/or AFLAC insurance premiums being deducted from the payment. The employee must have signed up during the annual enrollment for the Cafeteria - Flex 125 Plan which begins January 1 each year. The employee needs to enroll each year thereafter during the enrollment period. The monthly payment will be based on \$50 increments over the monthly insurance premium totals until all Severance Pay money is used up or the employee qualifies for Medicare. A yearly worksheet will be provided to each employee on this plan. All payments made under the plan will be subject to Social Security, Medicare, and Federal Withholding Taxes.

Persons who voluntarily separate under the provisions of this agreement will be allowed to remain on the District's hospitalization/major medical insurance plan, dental plan, or vision plan until they are able to obtain Medicare. The person shall be responsible for paying his/her own premiums for this coverage.

In the event that any employee who is receiving benefits under this plan should die before all of the benefits under the plan have been paid, the portion of the benefit which has not been paid out, shall be paid to a beneficiary designated by the employee. If no beneficiary has been designated, the payment will be made to the estate of the deceased and that shall fully discharge the District's obligation under this article.

CLASSIFIED LEAVE PROVISIONS

BEREAVEMENT

The superintendent may grant employees bereavement leave to cover absences connected with the death of a member of the immediate family of the employee or the employee's spouse. The immediate family shall include father, mother, child, husband, wife, brother, sister, grandchild, grandparent, and spouse's parents. The superintendent shall determine the amount of time needed in each instance after a consultation with the employee. Bereavement leave will also be granted to allow for attendance at a funeral. Bereavement leave will be deducted from sick leave.

DISABILITY LEAVE

An employee may apply for disability/FMLA leave to recover from surgery, an accident, childbirth, or other temporary disability. An employee will be considered temporarily disabled when the employee's physician or medical caregiver states that the employee is unable to perform regular job duties because of a medical or health condition. Employees must arrange for disability leave with the superintendent. Their request for disability leave must include written medical evidence of the disability. The District may, at its own expense, request that an appropriate caregiver of its choosing examine the employee to verify the disability.

A disability leave may extend from one day to a maximum of one year from the last day on which the person was able to work. Disability leave will be deducted from sick leave and accumulation until no more leave is available. At that time the employee will be placed on unpaid disability leave.

Employees whose disability leave extends beyond the time for issuing work agreements for the next school year may be asked to present written evidence that they do not expect to be disabled when the new school year starts or that they will remain on disability leave for that year.

On March 1st of the year an employee is on disability leave, the employee may: (1) present evidence to the District that the employee expects the disability to end by the time the new year starts; (2) present evidence to the District that the employee expects to continue to be disabled; or (3) choose to resign. If the employee is no longer disabled or expects the disability to be ended, the employee will be returned to a position for which he/she is qualified for the following year.

Employees on disability leave may continue to subscribe to any District group insurance plan so long as the employee reimburses the District for the total premium.

FAMILY LEAVE

Employees may use up to fifteen (15) days of sick leave each year for illness or required medical treatment in the immediate family per fiscal year, non-cumulative. The immediate family shall include father, mother, child, husband, wife, brother, sister, grandchild, grandparent, and spouse's parents. The leave shall be granted if the person is in the care of a doctor, if the person has a doctor's appointment that cannot be scheduled outside the workday, or for general illness. If more than 15 days are required in any year, the employee may be granted short-term leave of absence or in accordance with FMLA (Family and Medical Leave Act) may be granted up to (12) twelve weeks of leave.

LEAVE REPORTING

On-line leave reporting software is available to all staff members except at the Colony School. Supervisor approval/signature is required on all leave requests through this system.

LONG TERM LEAVE OF ABSENCE

A Long Term Leave of Absence greater than ten (10) days and no more than a maximum of twelve (12) weeks in accordance with the FMLA may be granted only by the Board to any classified employee only for illness, injury, physical incapacity, or emergency. The employee must make the request as soon as a situation arises that would require a Long-Term Leave of Absence. The employee and the supervisor must agree on the substitute before the Long-Term Leave of Absence can be approved. The employee's salary and benefits will not be paid by the District for the days absent. The District will pay the salary of the substitute. The employee may continue enrollment on the District group health insurance plan as long as the employee reimburses the District for the total premium. All benefits earned and accumulated prior to the Leave of Absence will be held for the employee's return or resignation. A maximum of twelve (12) weeks which includes accumulated sick and annual leave is available in accordance with the Family and Medical Leave Act.

The Long-Term Leave of Absence will be granted only through the present fiscal year and will not be extended over two separate fiscal years. An employee may be offered a work agreement for the following year but absence at the start of the new fiscal year will terminate employment.

PAID HOLIDAYS

Twelve (12) month employees will be allowed the following eight paid holidays annually: Independence Day, Labor Day, Thanksgiving Day, the day following Thanksgiving Day, Christmas Day, New Year's Day, Good Friday, and Memorial Day. When one of these holidays falls on a Saturday, the employee will receive a paid holiday on the Friday before. When one of these holidays falls on a Sunday, the employee will receive a paid holiday on the Monday after. One non-cumulative floating holiday will be allowed in addition to the eight previously mentioned. It may be taken anytime during the year and must be applied for.

PERSONAL LEAVE

Two (2) days of paid personal leave will be granted per fiscal year to classified employees who are employed less than twelve (12) months per fiscal year. Personal leave must be applied for on application forms or electronically and approved by the principals. Two (2) days of personal leave may be carried over to the following year for a total of four (4) days. Classified staff may use personal leave in increments less than full days. When a staff needs only an hour or two of personal leave, this leave would need to be approved by the immediate supervisor with at least one (1) day notice or subject to denial.

PROFESSIONAL DEVELOPMENT LEAVE / SCHOOL DIRECTED LEAVE

Eight (8) hours of professional development leave may be granted per fiscal year to classified employees. Professional development leave must be applied for on application forms available in the District/principal's offices. Classified employees on school directed leave will be compensated for the actual time spent supervising students (no overnight hours), rather than the normal workday hours, and may extend beyond eight (8) hours as deemed necessary by the superintendent.

SHORT TERM LEAVE OF ABSENCE

A Short-Term Leave of Absence may be granted by the superintendent to any classified employee following completion of a Short-Term Leave of Absence form. The Short-Term Leave of Absence may not exceed ten working days and may not be taken more than one time per year. The employee must make application at least ten days in advance. The employee and the supervisor must agree on the substitute before the Short-Term Leave of Absence can be approved. The employee will not be paid a salary during the Short-Term Leave. The District will pay the salary of the substitute.

The benefit will also be available to 12-month employees who have used all vacation time.

SICK LEAVE

Ten (10) or twelve (12) days of sick leave will be granted to each full-time classified employee based on number of specified work agreement hours with twelve (12) days for twelve (12) month employees and ten (10) days for each full-time nine (9) month employees. Sick leave may be used for personal illness or injury; for recuperation following a personal illness; and for appointments with physicians, optometrists, dentists, or chiropractors for checkups or treatment. Checkups and treatments should be scheduled during a vacation or after hours as much as possible. An employee may use up to four (4) of their sick leave days in the case of school being called off for inclement weather per fiscal year. Full days called off for inclement weather that are to be made up later in the calendar do not apply to sick / inclement leave.

No sick leave is to be allowed for operations or treatment that can be deferred until vacation or summer except in the case of twelve (12) month employees. The determination of necessity of an operation would be a signed statement from the attending physician.

A signed statement from a physician must be presented with the sick leave form, if more than three (3) consecutive days of sick leave are applied for. If no statement is presented, salary will not be allowed for any days beyond the three (3) consecutive days of sick leave. If all sick leave days are used and the employee is still unable to continue employment, the employee MUST apply for a Leave of Absence, to the classified sick leave bank if a member or for Family Medical Leave within five (5) working days after all sick leave is used or employment will be terminated.

Classified employees who have more than the 100-day cap (Number of daily hours worked x 100) will become eligible to sell unused days back to the District. The rate for this sale will be \$10.00 per day.

Claims for payment for unused sick days must be submitted to the Business Office on forms provided and in accordance with procedures established by the Business Manager no more than five days after the last day of school each school year. The payment will be made through payroll.

VACATION-(For 12 Month Employees)

After 1, 2, 3, 4 and 5 years of continuous employment	10 days vacation per year
After 6 years of work	11 days vacation per year
After 7 years of work	12 days vacation per year
After 8 years of work	13 days vacation per year
After 9 years of work	14 days vacation per year
After 10 years of work	15 days vacation per year
After 11 years of work	16 days vacation per year
After 12 years of work	17 days vacation per year
After 13 years of work	18 days vacation per year
After 14 years of work	19 days vacation per year
After 15 years of work	20 days vacation per year

Twenty days of vacation per year is the maximum number of days that could be earned. Unused vacation time at the end of a year will be carried over. Employees will be allowed to carry over a maximum of one-year entitlement.

For one day of vacation, the application must be made at least twenty-four (24) hours prior to the absence. For more than one day, the application must be made at least five (5) working days before the absence.

Upon leaving the District, the employee may: (a) Substitute accumulated vacation time for days of work (b) elect to be paid at their daily rate of pay for accumulated vacation. If the employee chooses Option A, an application for vacation must be completed. If the employee chooses Option B, payment of the benefit will be made in the month following the last regular check according to the work agreement. Social Security and withholding tax will be deducted from the check and credited to the account. An application form for the unused vacation benefit may be obtained from the Business Manager.

If an employee dies while employed in Bon Homme School District, the employee's beneficiary or the employee's estate would receive the total benefit of all unused vacation days at the daily rate of pay at the time of death. Each employee will complete a form designating a beneficiary to be filed in the employee's personnel file.

MISCELLANEOUS EMPLOYEE INFORMATION

ASBESTOS

On July 9, 1989, the Bon Homme School District began implementation of its Asbestos Management Plan. This plan details the steps which will be taken to deal with any asbestos-containing building materials found in school facilities. In the short-term, these steps include repair of any damaged materials and cleaning of any areas which may have been, in any way, contaminated. In the long-term, they include an Operations and Maintenance Plan detailing procedures which will be used to assure that all materials are maintained in a condition which minimizes any possible health threat to building occupants. In addition, the Plan allows the eventual removal of the material when an opportunity to do so presents itself. The Plan also requires that every six months the situation in each building be reviewed to make sure the original assessment remains accurate, and no new problems have arisen. Lastly, it is specified that every three years each building be given a complete re-inspection. December 27, 2018 this re-inspection was completed. A copy of the Plan will be kept on file in the District Office and will be made available for review to any interested parties. In addition, at least annually, the school will provide updated information on the Management Plan to those concerned. If there are any special questions or concerns, they should be directed to the school's Designated Person: Kevin Callahan (402) 429-0557, through South Central Co-op.

BUILDING & GROUNDS SECURITY

Any employee who discovers an incident of illegal entry to a building, theft of school property, vandalism, or other damage will notify the superintendent immediately. If the superintendent cannot be reached, the local law enforcement agency (usually the County Sheriff) will be notified. Care should be taken not to disturb any evidence while making the report.

PERSONNEL RECORDS

Each employee will have a personnel file in his/her name in the District Office. The file will contain payroll and tax information, copies of correspondence with the District, copies of work agreements, copies of final evaluations (up to three (3) years old) and other data of a similar nature. The file may be inspected by the employee any time during regular office hours. Copies of materials in the file may be made but the file may not be removed from the office. Material in the file that an employee feels should not be in there may be removed if the Business Manager and superintendent agree that it is no longer pertinent and that it should be removed.

PURCHASING

Employees may not purchase or order anything for the school without advance approval. Employees may be required to pay for or return at their own expense unauthorized purchases or orders. This applies to purchases made on behalf of the Trust & Agency organizations as well as with District funds.

SCHOOL VEHICLES

School employees may use school owned vehicles for travel when on school business. Approval for their use must be secured from the principal's office / District Office. Persons using school vehicles are asked to maintain the vehicle use records on the forms provided upon key check out. Each vehicle used should be filled with fuel and garbage cleaned out before returning to the parking lot.

SURPLUS EQUIPMENT/MATERIALS

When equipment or materials are no longer of any use, the employee should begin action to dispose of the items. A form for declaring surplus items is available from the principal's office / District Office. The form should be completed and filed in the District Office. Before equipment and materials can legally be discarded, they must be declared surplus by action of the Board. Employees will be notified of the Board's action so disposal can be arranged.

TORNADO PREPAREDNESS (Please refer to the Crisis Management Plan)

When school is in session and there has been a tornado warning issued for Bon Homme County, the students will proceed to the designated tornado shelters in each school and remain there until the "All Clear" announcement is made.

If a tornado watch has been issued the school administration will monitor the situation closely but school will continue on the regular schedule. Buses will run when a tornado watch is in effect.

If a tornado warning has been issued in Bon Homme County, buses will not run. If students are in school, they will remain in the school and take cover until the "All Clear" announcement is made.

When a tornado is sighted while students are on a bus, the driver should stop the bus and the driver and students will proceed to a ditch or low area in a surrounding field and lie down. Everyone should move far enough away from the bus or trees so there is no chance that anything will topple over on them.

Students and faculty who are away from school should monitor the weather by radio if the weather appears threatening. If there is a tornado warning for the area, the director of the activity should seek shelter for the group and notify the authorities of their location. Under no circumstances should students be released to go home when there is a tornado warning in effect for the area.

USE OF PERSONAL AUTO BY EMPLOYEES

Employees who use their personal auto for school business must be authorized, in advance, to do so. In most cases when such authorization is secured, it carries with it coverage by the District (liability, property damage, and medical payments) auto insurance under provisions of authorized "volunteer" use of personal auto. When such authorization is granted, the employee may claim mileage from the District at the rate established by the Board.

USE OF SCHOOL BUILDINGS

Persons or organizations wishing to use the school buildings must make arrangements in the office of the building principal or District Office. Following approval of the use, keys will be issued which must be returned to the office following the building use. Employees should report any suspicious or unauthorized use to their principal.
